

## Manufacturer's Declaration

### To Whom It May Concern:

Ginlong Technologies Co., Ltd, as the manufacturer of Solis Inverters, confirms the following statements:

'Solis Extra Warranty' is for 5 years Standard warranty plus additional 5 year parts-only warranty , now referring to this as a 5+5 Warranty

Under the Solis Standard warranty, transport, labour & material costs will be covered by Solis.

Under the Solis Part Warranty, only the materials required to repair the inverter will be covered by Solis.

The Offer is valid for the Solis Mini 0.7 – 3.6 kW 4G String Inverter, Solis 1P(2.5-6) KW 4G String Inverter , Solis 1P( 7-8) KW 5G String Inverter, Solis 3P(5-10) KW 4G String Inverter.

End customers must register the inverter on [www.solisinverters.com.au](http://www.solisinverters.com.au).

Although the 'Solis Extra Warranty' is a free promotional offer, you are still required to register it online.  
The code required to register a 'Solis Extra warranty' is: **SOL50620**
